

MBA 5042- Final Project

Task

Your team has been retained to study the callback/hiring process by a large holding firm that owns many small firms in different industries in both Chicago and Boston. The firm is specifically interested in the gender and racial diversity of their workforce, and would like to be consulted on what influences the decision to move forward with an application in the hiring process.

Deliverables

1. 20 minute presentation on your findings (Last day of class)
2. Executive Summary of your findings (March 10th by 11:59 PM)
 - a. Maximum 3 pages
